1. **Training**

1.1. In consideration of the payment of the Agreed Fee (required at the time of registration), West Moreton Hospital and Health Service (Queensland Centre for Mental Health Learning [Learning Centre]) agrees to provide the Training to the Purchaser or their nominee.

1.2. A set of training materials (the materials) will be provided to attendees at all training courses, and participants will receive a certificate to acknowledge their attendance. For assessable courses, a certificate of achievement will be issued once the learner is deemed competent via the assessment. For online classroom deliveries, resources are provided electronically to participants after enrolment in the course.

1.3. Attendees who leave early or otherwise do not attend the course in full are not eligible for a certificate or acknowledgement of course completion.

1.4. For courses with mandatory eLearning, attendance at face-to-face Training is not permitted without completing the eLearning component.

1.5. Valid certificates are accessed upon completion of a course through the individual’s learner profile on the Learning Centre learning management system, once the participant is marked as fully attended, and all post-learning requirements are completed (where relevant). The Learning Centre is unable to manually reissue certificates to reflect historic attendance.

1.6. The Learning Centre bears no responsibility for costs (time or monetary) incurred by the learner for participating in Training.
