Working with People with Forensic Histories or at Risk of Offending online training module.

Vulnerability

Substance use

Insight: insight.qld.edu.au

Insight provide courses on alcohol and other drugs (AOD) assessment and treatment. Their e-Learning courses include: Drugs: The Basics, AOD Orientation, and Family and Young People. Workshops cover a range of practice skills valuable to clinicians in mental health and alcohol and other drug sectors.

Dovetail: www.dovetail.org.au/training/

Dovetail provide in-person training across Queensland, offering tailored workshops from a one-hour presentation through to full-day practical workshops. They also offer reflective practice workshops for services or teams looking to improve their responses to young people who use alcohol and other drugs.

Sexual health and safety

Queensland Centre for Mental Health Learning: www.qcmhl.qld.edu.au
